

Have your say on Calderdale Energy Park

Thank you for taking the time to view our proposals for Calderdale Energy Park. Your feedback is invaluable as we look to develop our proposals.

We are currently seeking your views as part of our non-statutory consultation. Our consultation is running from **12:00am on Tuesday 29 April until 11:59pm on Tuesday 10 June 2025.**

All feedback received will be considered alongside further survey work, design work and assessments to help refine our proposals before presenting our revised proposals in our statutory consultation planned for later this year.

We will also be publishing a non-statutory consultation report which will summarise our consultation activities and the feedback we receive.

The deadline for responses is 11:59pm on Tuesday 10 June 2025.

You can provide your feedback by completing the online feedback form on our website, www.calderdaleenergypark.co.uk. You can also scan the QR code to be taken directly to the online feedback form.

Alternatively, you can complete this paper feedback form and return it via post to **Freepost CALDERDALE ENERGY PARK** (no stamp required). You can also provide your comments by emailing us at info@calderdaleenergypark.co.uk.

Privacy Statement

Cavendish Consulting Limited ("Cavendish") is working on behalf of Calderdale Wind Farm Limited (CWFL) to undertake public consultation on the proposals for Calderdale Energy Park. By submitting your feedback, you are agreeing that Cavendish (the Processor) can hold and process your personal data in relation to this project on behalf of CWFL (the Controller). Your Personal Data will only be used for the purpose for which we collect it, which may include the following:

- Consulting on Calderdale Energy Park and analysing your feedback.
- Reporting to the Secretary of State, Planning Inspectorate or local authorities on the consultation. This may involve passing your personal data to those parties, and in some cases, we are required to publish the data as part of a consenting process.
- Communicating with you about Calderdale Energy Park, including updates on the proposals and to conduct negotiations.
- Surveying land that may be affected by Calderdale Energy Park.
- Carrying out enquiries into land ownership and occupation.

All personal information we receive will be handled in accordance with our privacy policy, which can be found at calderdaleenergypark.co.uk/privacy-policy.

Data Protection

We process all Personal Data in accordance with the UK General Data Protection Regulation, the EU General Data Protection Regulation 2016/679 (together the "GDPR") and the Data Protection Act 2018. Your Personal Data will not be transferred outside the UK or European Economic Area (the EU member states plus Norway, Iceland and Liechtenstein). To see our full Privacy Notice and find out how to exercise your data subject rights, please visit cavendishconsulting.com/dp or contact us by phone on 01962 893 893, or email at dataprotection@cavendishconsulting.com.

1. How would you describe your interest in Calderdale Energy Park?

- Local resident
 - Local representative
 - Landowner
 - Local business owner
 - Regular visitor
 - Local interest group member (if so, please specify)
 - Statutory organisation (if so, please specify)
 - Other (please specify)
-

2. To what extent do you agree with the following statements?

	Strongly agree	Agree	Neutral	Disagree	Strongly disagree	Don't know
We should develop more renewable energy to support the UK's transition to Net Zero.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The UK should produce more of its own energy, to support the country's energy security.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The UK should have a diverse energy mix, including renewable sources, to ensure a stable energy supply.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Investment in renewable energy should also consider the needs of local businesses and residents.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The UK should prioritise energy affordability alongside sustainability.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Wind and battery storage projects should be developed to provide clean energy.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

3. What elements of Calderdale Energy Park are most important to you? Please select all that apply

- Landscape and visual
 - Biodiversity (habitats, protected species, birds, etc.)
 - Noise and shadow flicker
 - Traffic and access
 - Land use
 - Water and flood risk
 - Energy needs, carbon reduction and climate change
 - Cultural Heritage (Listed Buildings, Scheduled Monuments, historic landscapes, etc.)
 - Construction impacts
 - Other (please specify)
-

4. Our proposals include 41 wind turbines, which can be seen on page 14 of the consultation brochure. Do you have any comments on the proposed location of the turbines within the site?

- Yes, I have comments
- No concerns
- Unsure

If Yes, please specify:

5. We are committed to protecting and enhancing the environment as part of our proposals. Do you have any suggestions or ideas for environmental protection, enhancement, or mitigation measures that should be considered as the project develops?

Comments:

6. We have shared our options for routes to transport general HGVs and large and abnormal loads, including turbine blades, tower sections and other heavy equipment, to the site during construction, which can be seen on pages 23 and 24 of the consultation brochure. Do you have any comments on the proposed transport routes presented?

- Option A
- Option B
- Both routes

Comments:

7. What are your thoughts on the jobs and investment benefits that Calderdale Energy Park could bring to the local area?

- Very positive
- Somewhat positive
- Neutral
- Negative
- Unsure

If you have specific thoughts on job creation or investment, please share:

Comments:

8. Do you have any suggestions about how we increase public access into the site such as new footpaths and bridleways?

Comments:

9. As part of our proposals, we would be providing a dedicated community benefit fund to support local initiatives. Do you have any suggestions on local initiatives that the community benefit fund could support?

- Funding to local organisations to help them to reduce their own carbon emissions
- Providing a community fund to support local groups and projects (please specify the group)
- Educational areas in proximity to the site
- Other (please specify)

Comments:

10. Do you have any further comments on our proposals for Calderdale Energy Park?

Comments:

11. How did you find out about this consultation?

- Social media
- Word of mouth
- Media (newspaper, radio, TV)
- Project newsletter
- Through a local group/organisation
- Other (please specify)

Comments:

12. How informative have you found our consultation?

- Very informative
- Somewhat informative
- Not informative
- Unsure

13. Please provide any comments you have on the consultation and any suggestions you have for future phases of consultation.

Comments:

What happens next

Thank you for taking the time to provide your feedback on our proposals for Calderdale Energy Park. Your views are important to us. Our initial non-statutory consultation will close at 23:59 on **Tuesday 10 June 2025**. We will then review all feedback received and use it alongside our environmental and technical studies, to help refine our proposals. We will then present our more detailed proposals at a formal statutory consultation at a later stage.
